## **JUNIOR AGE CATEGORIES (Non- Collegiate) OF COMPETITION AND WEIGHT DIVISIONS**

Please note that each Category is based solely on the year in which the contestant was born. The contestant's actual age on the day of competition is irrelevant. All weights are in kilograms. For each weight division, the weight range will be over the next lower weight and up to and including the weight listed. Example: Bantam 1, 28 kg – over 23 kg and up to and including 28 kg. The following age/weight categories will be in use **for this year's event (2010)**:

All contestants must compete at their true age (exception: IJF-Junior Category) and weight except when the contestant is uncontested. In the case of an uncontested competitor, the competitor may either move up into a higher weight bracket of his/her age, if he or she can make the minimum weight for the next division, or into the IJF division if appropriate. The tournament director reserves the right to make all final decisions for this Championships.

The IJF-Junior Category is the same as the International Judo Federation Junior World Championships Category. Athletes may enter if they are born in 1991 to 1995 only.

Clarifications to IJF Junior Category:

For some PJC events, eligibility is restricted to athletes born in 1991, 1992 and 1993 only. Therefore, athletes who are nationally ranked in the IJF-Junior Category but do not meet the PJC year of birth requirements, will not be eligible for USA team selection in such events.

**The Tournament Director reserves the right to make changes in the highest and lowest weight classes in all age divisions when it is in the best interest of the contestants to make these changes due to differences in weights. When such adjustments are made, only the highest weight sub-category will be pointable and each person must be advised that he or she may elect to fight in the pointable section.**

## WEIGH-IN

See Schedule of Events for times of weigh in. A calibrated practice scale will be available prior to, and during, the weigh-in periods. However, in no case will contestants be allowed on the Official Scale during Official Weigh-In for the purpose of checking weight. Contestants may check weight as many times as desired prior to the designated time of the official weigh-in. A contestant is given only one chance on the official scale during official weigh-in. **At weigh-in, athletes must present their tournament-issued identification card AND all athletes in the Juvenile B and IJF-Junior categories must present a photo ID.**

ATHLETES COMPETING IN TWO CATEGORIES ON SEPARATE DAYS NEED ONLY TO WEIGH IN ONE TIME PRIOR TO THEIR FIRST DAY OF COMPETITION.

### **\*\*\*ATHLETE ROSTERS/BRACKETS/DRAW\*\*\***

All draws will be conducted using USA Judo approved software. See Rules and Method of Competition for all seeding information. With the exception of seeding, the draw will be random. Divisions will be posted for coach/player inspection as soon as possible after the close of weigh-ins on each day. One hour later, any necessary corrections will be made, the draw will be performed, and brackets, with match numbers, will be posted. **It is the coach/athlete's sole responsibility to confirm that the correct athlete is listed in the correct division. Any corrections/changes must be submitted to the tournament director and/or the designee of pools/brackets within one hour of the roster being posted. Once the draw is completed and posted, any corrections/changes must be submitted to the tournament director and/or the designee of pools/brackets within one hour of the draw being posted. Failure to notify responsible tournament staff within the time frame outlined above may result in not being able to accommodate your request. No changes will be made the day of competition.**

## **RULES AND METHOD OF COMPETITION**

### **JUNIOR CATEGORIES:**

The Championships will be conducted in accordance with the Contest Rules, Organization Code and Sporting Code of the International Judo Federation, as revised for the USA JUDO Junior Olympic Championships.

**Competition Method:** The standard ("true") Double Elimination System with winner's and loser's brackets will be used. The winner of the loser's bracket will compete against the winner of the winner's bracket for 1<sup>st</sup> and 2<sup>nd</sup> place. The first one of these two contestants to have two (2) losses will be placed second; the other will be placed first. The loser of the loser's bracket will be placed 3<sup>rd</sup>. For categories of under five contestants, round robin will be the method of competition.

**Seeding:** There will be no seeding for any junior categories with the exception of the IJF-Junior and Juvenile B divisions where the top four athletes will be seeded in each division. In the event a seeded athlete is not present, the other athletes WILL move up in seeding. Players having the same state affiliation will be placed as far apart in the bracket as possible.

Juniors winning medals in the IJF-Junior, Juvenile A, Juvenile B, Intermediate 1 and Intermediate 2 divisions will be awarded 10 points for a gold medal, 6 points for a silver medal and 4 points for a bronze medal on the Junior Elite National Roster that corresponds to his or her weight division.

- **Determination of Weight Category:** Athletes are asked to make a preliminary declaration of weight on the entry form or at check-in/registration. However, in this tournament the athlete's actual weight at weigh-in will determine the category of competition, i.e. the athlete does not have to "make" the declared weight.
- **Shime-waza rule:** Shime-waza (choking) allowed in Juvenile A, B and IJF-Junior divisions only.
- **Kansetsu-waza rule:** Kansetsu-waza (arm locks) allowed in IJF-Junior divisions only.
- **Injury Rule:** Decisions as to whether an athlete may continue if injured while on the mat, are to be resolved in accordance with IJF rules; such decisions occurring off the mat or not covered by the IJF rules, are to be made by the coach, the athlete, and the Team Doctor. If there is not a unanimous opinion among these three individuals, the athlete **may not** continue (Board-approved October 22, 1998.)
- **Match lengths:** Bantam, Intermediate, Juvenile A - 3 minutes  
Juvenile B and IJF-Junior - 4 minutes
- **Judo gi color:** For all IJF-Junior divisions, the blue/white judo gi requirement is mandatory. For all other divisions this requirement is optional. However, USA JUDO encourages the wearing of a blue judo gi by the "blue" side competitor. The "white" side competitor must wear a white judo gi. Competitors are responsible for appearing in the correct color gi. Competitors and their coaches are responsible for providing their own blue and white belts for this competition.
- If a contestant has no one else in the division he or she weighed in for, the player may re-weigh to make the minimum weight to move up one weight category where there are matches (see Consent for Weight Change Form). Any changes must be made prior to the start of the draw!!! If a contestant moves up a weight instead of accepting an uncontested gold medal, that athlete cannot receive points for the uncontested division. Therefore, he/she can CHOOSE to remain uncontested and receive points on the appropriate Junior Elite National Roster OR to move up and have fights and a chance to earn points in the next division. In NO CASE can an athlete move up in age except to the IJF Jr division.
